Dear Craig,

Thank you for entertaining us at our company Christmas Party. Our decision to contact a comedian was a last-minute decision, and your flexibility was very-much appreciated.

Feedback from your performance was very positive! Even though we had quite a large and diverse group (about 200 people), your material left everyone with tickled tummies!!

We look forward to hearing your humor in the Duluth area in the future!

Thanks again,

Cathy Baker and the New Page Christmas Party Committee
